**Re: Vero's Top Chef Challenge.....It's All About The Food and The Families
To benefit the Homeless Family Center**

Dear Sponsor:

The Homeless Family Center is hosting the 4TH annual **Vero's Top Chef Challenge** event on Monday, February 27, 2012 at The Club at Pointe West. Local Chefs will compete for the title of *Vero's Top Chef*. The evening will include a small silent auction with unique items with Vero flair. The evening is sure to be fun, entertaining and filled with many surprises.

The event was created to bring the community together to help support the Homeless Family Center (HFC), as well as showcase Vero's culinary talent. The Homeless Family Center provides opportunities for homeless families to end homelessness by achieving self-sufficiency through education, living wages, and permanent housing.

We would appreciate your support by being a Sponsor of Vero's Top Chef Challenge.
